What's New for Georgia Exporters

Georgia Department of Economic Development (GDEcD)

The Georgia Department of Economic Development's International Trade Team invites Georgia Exporters to participate in the following events. Feel free to share with colleagues or other Georgia exporters who might benefit.

Current Marketing Events

Southeastern United States-Canadian Provinces Alliance (SEUS-Canada)

Date: July 26-28, 2009

Location: St. John's, Canada

Purpose: This conference will provide opportunities for businesses to enhance commercial exchanges and promote bilateral investment with Canada.

Industry Sectors: Ocean technology, energy, advanced manufacturing, and economic development

Cost: \$325

Contact: Andrea Smerek, Associate International Trade Specialist, at asmerek@georgia.org, (404) 962-4036

Visit from GDEcD Representatives from Mexico, Brazil, and Chile

Date: Week of June 15

Location: GDEcD's main office in Atlanta, Georgia

Purpose: Representatives from Georgia's international offices in Mexico, Brazil, and Chile will fly into Atlanta to meet with clients who are interested or have already entered one or more of these respective markets. They will also attend the Georgia Hispanic Chamber of Commerce Gala on Saturday, June 20th. Contact our offices to set up an appointment.

Cost: Free

Contact: Mary Waters, International Trade Specialist, at mwaters@georgia.org, (404) 962-4128

Governor's Mission to Dubai Airshow

Date: November 15-19, 2009

Location: Dubai, United Arab Emirates

Purpose: Attend or exhibit at the world's third largest and fastest growing aviation exhibition in the world. Georgia ranks 9th among other states in 2008 with exports to the UAE totaling \$426 million. Georgia manufacturers with an interest in this region of the world will have the opportunity to showcase themselves utilizing several affordable marketing methods

Industry Sectors: Aviation, aerospace, aircraft, parts and services
