This consists of the travel agent training that took place in Hamburg in November 2008 and an upcoming Intranet promotion to all their travel agency outlets in Germany.	Internal Coordination
Supplies	Brochures: We processed brochure shipments for 2009 from the state including customs dealings. We ensured that the very small remaining supply of 2008 brochures are being distributed at the Zurich and Berlin country music festivals below, thus avoiding any waste.	Internal Coordination

Web Development	www.georgia-usa.de After completing most of the production of a new German tourism website for Georgia and transfer of the site from one provider to another in December 2008, we put final touches on the site and promoted it by various means, including a press release (see below) We also cleared music rights for recordings used in the podcasts. The site also operates as www.georgiaonmymind.de , www.georgia-usa.ch and www.georgia-usa.at with the country endings for Germany, Switzerland and Austria. Began a search for a map to substitute for the one recycled from the old German site as online now, because the existing map does not show the Golden Isles. This we consider to be unacceptable given the high importance of the Isles to Georgia's overall tourism product.	Internet
Web Development	www.georgia-usa.de : In January, the new site attracted 4825 unique visitors. We counted 16,779 page views and 119,731 hits.	Internet
Web Monthly Promotion	www.georgia-usa.de We produced the "Special of the Month" feature for February 2009: "Sea Turtle Center" and installed references to the special on several other pages such as the one on The Georgia Coast http://www.georgia-usa.de/mapCoast.php and Nature http://www.georgia-usa.de/seh_wandern.php .	Internet
Web Updating	www.georgia-usa.de : We updated an existing Special of the Month about Callaway Gardens by adding their special complimentary admission offered until February 28, 2009. http://www.georgiaonmymind.de/neu_jul08.php	Internet
Web Updating	www.georgia-usa.de : We updated the overview of the Historic High Country region http://www.georgia-usa.de/mapHighlands.php by including the Tellus Northwest Georgia Science Museum in Cartersville.	Internet
Web Monthly Promotion	www.georgia-usa.de : For the online raffle we produced the question of the month for February featuring Helen. We drew the winner for January and sent the CD.	Internet
Web Updating	www.deep-south-usa.de : For the online raffle we produced the question of the month for February http://www.georgia-usa.de/gewinnen.php and sent the Southern Comfort prize for January to the winner.	Internet
Consumer Fulfillment	Fulfilled a record number of 216 consumer inquiries for brochures sending package with personalized letter. The total number for Fiscal Year 2008/2009 is 728.	Consumers
Consumer Show	CMT Stuttgart, January 17- 25, 2009: Martina Hasewinkel and our intern Katharina Stiewe worked the first of the 3 large consumer shows for this season, which are operated by the German Visit USA Committee. We managed the joint Deep South USA booth for Georgia, Louisiana, Memphis & Mississippi and Tennessee for the first half of the nine-day show, while Louisiana covered the second half. Over the course of the entire show, we distributed 800 Deep South USA brochures and 450 of the German Georgia books.	Consumers
Consumer Show	Upcoming Visit USA shows: We made arrangements for the other two large Visit USA Committee consumer shows to come this season, which will be staffed by Martina Hasewinkel (Hamburg) and Raphael Tenschert (Munich).	Consumers

TYPE	DETAILS	FIELD
Festival Promotion	Swiss Country Music Festival, Zurich, January 30-March 15, 2009: Wolfgang Streitboerger delivered Georgia brochures for the six-week, and thus longest country music festival in the world and attended the opening night on January 30. The brochures are being distributed at a booth run by the Swiss tour operator Music Tours International MTI, Maya Hagenbucher. Funding to cover a faction of the booth cost came from the Grand Ole Opry and from Atlanta's partner in Rhythms of the South, Nashville CVB.	Consumers
Festival Promotion	German Country Music Festival, Berlin, February 6-8, 2009: We made pre-arrangements to distribute Georgia brochures at a table staffed by Raphael Tenschert. Our presence at that show has also become possible by Nashville CVB and the Grand Ole Opry sponsoring.	Consumers
Sister City Project	Lookout Mountain/Oldenburg Partnership: Bill Chapin of Rock City Gardens contacted us in December 2008 about the idea of forming a city partnership between Lookout Mountain and the city of Oldenburg in Germany, of which Frieda Carter was a native. We made contact in December and tried to follow up with them in January and inquired with Bill Chapin on whether and how he would like to proceed. We will pick up this thread in February.	Consumers
Flyer for Business Travelers	We designed a flyer to be used at GDECD non-tourism trade shows in Germany to animate business travelers to add a leisure extension in Georgia.	Consumers
Travel South Support	Travel South International Showcase April 4 to 8 in Kissimmee, Florida: Travel South requested our assistance in finding more first-class European tour operators to attend. We held several talks to that respect at the Visit USA Committee meeting in Munich on January 15 (above), and also discussed this with cosponsoring Delta Air Lines at that meeting.	Trade
Tour Promotion	ADAC Reisen, Beate Helms: We reviewed and edited the Georgia content for the Deep South USA 4 page insert to be published in the March issue of Abenteuer & Reisen.	Trade
Tour Development	<p>Gebeco: On January 16, Wolfgang Streitboerger visited with David Kaiser at the Gebeco headquarters in Kiel. In their 2009 catalogue they have introduced a new Southern coach tour with 3 nights in Atlanta and one in Savannah. (see December 2008 t). They travel with small groups and German guides. Results of the meeting were:</p> <ul style="list-style-type: none"> • The Southern tour sells well. They are happy with the interest in the market. • The time for planning the 2010 catalogue begins shortly. We may meet for a planning session once they get ready for it. • They take an interest in outdoors attractions. We recommended Southern Cross Ranch, especially since that property fell out of the FTI catalogue, which now features only Texas ranches as part of a special Texas promotion. 	Trade
Tour Development / Travel Agent Training	<p>America Unlimited: On January 16, Wolfgang Streitboerger met with Rainer Hillers in Hamburg. Results of the meeting were:</p> <ul style="list-style-type: none"> • The 3 breakfast seminars to train travel agents originally planned for early January, which needed to be cancelled for lack of attendees, will be replaced by just one seminar to save cost. That seminar will take place in Hannover near the German Georgia tourism office, so no 	Trade

	<p>hotel rooms will be needed. The new plan will drastically reduce expenses and helps generate the savings needed in our tourism plan without losing the good cooperation with this tour operator.</p> <ul style="list-style-type: none"> • Their new catalogue for 2009 appeared in December. They extended their Georgia coverage from 3 to 5 packages. Two Southern fly & drives includes nights in Atlanta and Savannah. Another fly & drive from Philadelphia to Miami features one night in Savannah. A Southern coach tour has overnights in Atlanta and Savannah, and a train tour with Amtrak from New York City to Miami one in Savannah. • The Bed & Breakfast catalogue, to which our regional representatives and Katie Baasen contributed greatly to in 2008 will appear, but with a delay. He expects the catalogue to be printed in spring on 2009. 	
Tour Development	WAZ newspapers: Georgia / Canusa / Delta Air Lines promotion: On December 13, the advertorial promoting Georgia appeared in the travel sections of the WAZ group of newspapers with a circulation of 990,000. In January, we worked with WAZ, Canusa and the winners to set up the prize trip for 2 persons.	Trade / Media
Travel Agent Training	We made preparations for Georgia's participation in this travel agent event on Feb. 4, 2009 in Zurich, Switzerland (will be in February report). Wolfgang Streitboerger delivered material for the show to the convention hotel on January 30 while on his way to the Albisguetli country music festival also in Zurich (see above).	Trade
Tour Development	<p>Flex travel catalogue: In December, Flex travel, the Swiss branch of the German TUI corporation, was the first of Switzerland's major tour operators to publish their 2009/2010 catalogues.</p> <p>Flex Travel continued its Georgia product portfolio with a fly & drive of the South from and to Atlanta, which includes overnights in Atlanta and Savannah, and with a fly & drive from New York City to Miami, also with overnights in Atlanta and Savannah.</p> <p>Note: While major German tour operators typically publish Summer and Winter catalogues, their Swiss counterparts would rather publish 12-month catalogues valid from April to March. The other Swiss catalogues started to come out in January, and we still are evaluating and processing them. The results will be in the February report and on the February documentation CD.</p>	Trade
Tour Development	RM-Reiseteam: Worked with Katie Baasen on setting up a site inspection to Augusta for their owner Rita Mahrd.	Trade

Trade Show Planning	ITB media breakfast: We continued planning for Deep South USA media breakfast at the ITB Berlin show on March 11, 2009. Arranged with Marion Trutter to talk to fellow journalists about doing journalistic research in Atlanta. She is a writer for major media such as the national newspaper Sueddeutsche Zeitung and for Germany's only nationwide radio network, Deutschland Radio. She saw Atlanta during a press FAM with us in January 2008. Speakers at this event do not receive a fee, but make themselves available out of r gratitude and appreciation of the South.	Trade / Media / Consumers
Press Release	New German website: On January 8 we issued a press release to 256 media contacts in Germany, Austria and Switzerland to feature the new German website.	Media
Database Work	Media database: Updated our media database based on a few returns from our media mailing and also proactive research.	Media
Media Visit	ORF Austrian TV, Manuela Guancioli, Salzburg: As reported for December, they re-vitalized a project to produce a film about traveling to the USA by ship and then onwards by train. This failed at their first try earlier in 2008 because they could not strike a deal from Amtrak. We inquired in January about their plans and hope to hear back from them shortly.	Media
Media Visit	Tri-Ergon TV, Bielefeld: This TV production company inquired about possible stories for several major German TV channels. We made an appointment with them for February 2 (results of that meeting and what may evolve from that will be in the February report).	Media
Coverage	A Note on the below: We had very good coverage from Christian Rowekamp's dpa/gms story broadcasted by his newsservice on December 30, and from our press release dated January 8 promoting the new German brochure. This translates to a combined advertising value of more than 200,000 dollars in one month just from print and online media.	Media
