Georgia Department of Economic Development Synopsis of Proposed Adoption of Chapter 159-3-1 Competitive Projects of Regional Significance

The Georgia Department of Economic Development proposes adopting Chapter 159-3-1 Competitive Projects of Regional Significance. The rule provides the definition of a “Competitive Project of Regional Significance”, it outlines requirements for projects to be eligible for designation, including factors will be considered in determining if a project is regionally significant, and it identifies types of projects that are not eligible for designation.
