

GEORGIA: A FULL RANGE OF OPPORTUNITIES

TOP-RANKED AND VERSATILE WORKFORCE

5.3
million-member
workforce

50,000+
residents work in
fabricated metals and
plastics manufacturing

600,000+
veterans reside in state

- VECTR - the Georgia Veterans Education Career Transition Resource Center provides training and connects employers with transitioning veterans
- Right-to-work state with low unionization membership
- Statewide university system includes Georgia Tech, the home to the #1 Industrial Engineering Program in the nation
- HOPE Career Grant is a state-funded grant that results in free tuition for students in high-demand majors at the Technical College System of Georgia

PRO-BUSINESS CLIMATE AND FIREARMS FRIENDLY LEGISLATION

- Extensive infrastructure provides quick access to markets via rail, road, sea and air
- “Constitutional Carry” signed in 2022 allows Georgia residents to carry handguns in public without a license or background check
- Georgia allows no waiting period on firearm purchases. Individual citizens can legally sell firearms to other citizens and do not require background checks. There is also no handgun registration required
- Hunting is a popular pastime, and millions of acres are available large and small game, including several of the most prestigious quail hunting plantations in the nation

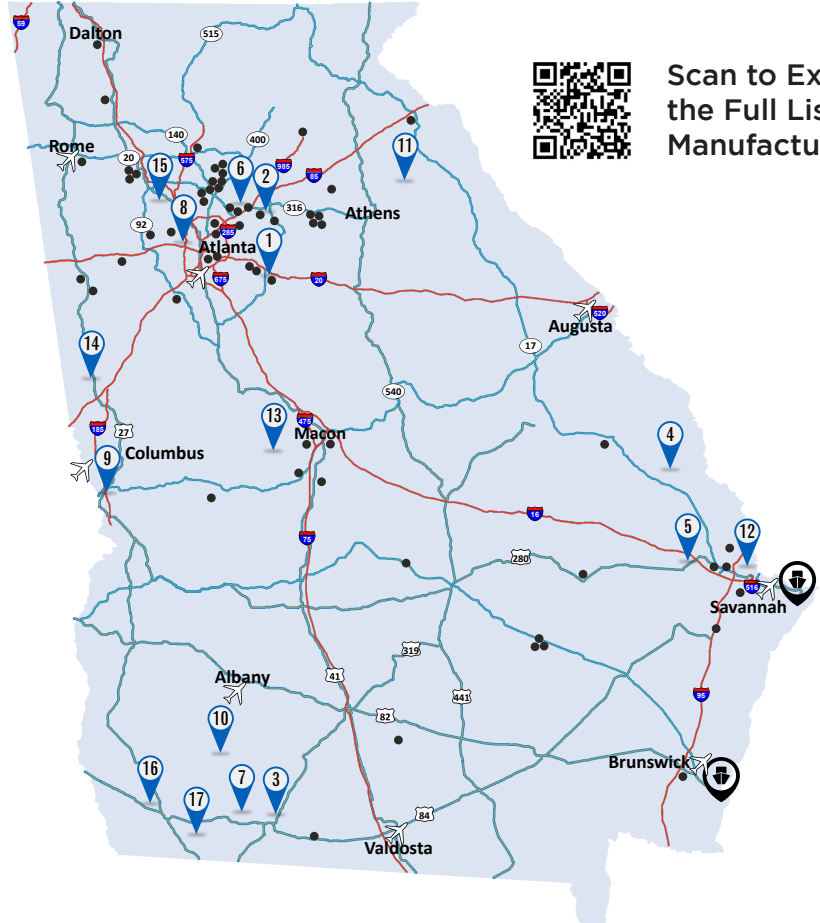

GEORGIA'S FIREARMS INDUSTRY

In the last five years, leading firearms companies have invested **\$213 million** and created **2,175 jobs**.
