For Projects with estimated Project budgets over $100 Million, the Completed Application must be submitted not earlier than one hundred eighty (180) days prior to the Principal Photography Start Date and no later than seven (7) calendar days after the Principal Photography Start Date.

(4) Production Companies should strive to complete each Project within a single tax year. GDEcD shall not issue additional certification letters for deferred or delinquent payments that carried over from the first tax year. This two-tax year limitation for each Project shall not apply to projects for animation or Interactive Entertainment. This two-tax year limitation applies to all multi-year entertainment productions that qualify for the Film Tax Credits including, but not limited to, Feature Films, TV Movies, or Series.

(4) Following receipt of a Completed Application, GDEcD may request additional supporting documentation as outlined in Rule 159-1-1-.03(1)(a) to verify Project details. Once GDEcD determines a Project is eligible for certification, GDEcD will electronically provide a Base Certification Letter.

(7) A Production Company’s, or Interactive Entertainment Production Company’s, failure to provide any of the above listed supporting materials may result in the retraction of the Base Certification Letter for the Project.

(8) Any misrepresentation or material change of Project information without written notification to GDEcD or GDOR or the submission of project documentation that does not adhere to industry standards may result in denial or revocation of certification.

159-1-1-.05 Georgia Entertainment Promotion Tax Credit Application Process.

(1) The GEP Tax Credit is available only for Projects specified in Rule 159-1-1-.07 below, where such Projects also comply with the requirements of this Rule 159-1-1-.05, have been approved and certified by GDEcD for the Base Tax Credit, and achieve multimarket commercial distribution within five (5) years from the date that the initial Base Certification Letter was issued.

(2) GEP Tax Credit certification applications must be submitted to GDEcD as part of a Completed Application if the Applicant intends to pursue the GEP Tax Credit. In order to be eligible for the GEP Tax Credit, projects must include the GEP Logo and a link to http://www.georgia.org/film on the Project’s promotional website as outlined in O.C.G.A. §48-7-40.26, starting from any point of initial public screening, distribution, or release. Production Companies must submit proof of compliance with statutory requirements to GDEcD. In lieu of GEP Logo placement and a link to the website, Production Companies may offer Alternative Marketing Opportunities of equal or greater marketing value to the State, subject to GDEcD approval of the selected Alternative Marketing Opportunities. Production Companies must elect whether to include the GEP Logo or pursue the Alternative Marketing Opportunity at the
time the Production Company submits a Completed Application for the Project. The GEP Logo and link to the website may not be used in a Project without GDEcD’s prior written approval. Projects that are not eligible or approved for the GEP Tax Credit may still be eligible for the Base Tax Credit.

(3) If a Production Company or Qualified Interactive Entertainment Production Company elects to use the GEP Logo placement to satisfy the requirements for the GEP Tax Credit, then the Production Company or Qualified Interactive Entertainment Production Company shall submit to GDEcD digital evidence to verify the appropriate placement of the GEP Logo in the Project not earlier than following the receipt of the Base Certification Letter, and no later than five (5) days before the Project is distributed. If the publically released version of the Project contains a different and incorrect placement of the GEP Logo, GDEcD may retract or deny certification of the GEP Tax Credit.

(4) Once the Project has been distributed, the Production Company shall submit the GEP Distribution Form verifying that distribution occurred within five (5) years from the date that the initial Base Certification Letter was issued.

(5) Following GDEcD’s verification that the GEP Logo placement is correct or that the Alternative Marketing Opportunities have been fulfilled, and verification that the Project has been distributed, GDEcD will issue the Uplift Certification Letter. If a Production Company seeking the GEP Tax Credit fails to fulfill all of the obligations of the GEP Logo and link, or the Alternative marketing agreement, or, if the Production Company fails to provide the GEP Distribution form verifying distribution to GDEcD within five (5) years from the date that the initial Base Certification Letter was issued, the project shall not be eligible for the GEP Tax Credit. In the case of projects that have Base Certification Letters issued for multiple tax years, the five (5) year period in which the Project must be distributed shall begin from the date of the initial Base Certification Letter for the project.

(6) For Feature Film, Series, Pilot, TV Movie, Music Video or Interactive Entertainment Projects that opt to include the GEP Logo and a link to http://www.georgia.org/film on the promotional website as outlined in O.C.G.A. §48-7-40.26, GDEcD will make available various versions of the GEP Logo and the link to each qualified GEP Tax Credit applicant at no
charge. GDEcD will only provide the GEP Logo to applicants that GDEcD has certified as being eligible to receive the GEP Tax Credit. Production Companies or Qualified Interactive Entertainment Production Companies may not use the GEP Logo in a Project without prior written GDEcD approval. Furthermore, it is required that each qualified GEP Tax Credit applicant utilizing the logo to fulfill the GEP Tax Credit requirements submit proof of the required placement of the GEP Logo in the completed Feature Film, Series, Pilot, TV Movie, Music Video, or Interactive Entertainment Production to GDEcD at least five (5) days prior to the Project’s distribution. In the instance of any project distributed via a Streaming Service, the GEP logo shall automatically appear in the end credits in accordance with the requirements outlined in O.C.G.A. §48-7-40.26 and these rules, and shall not require the viewer to take any action, such as selecting “watch end credits” or some other similar selection, to view the GEP logo as a result of the Streaming platform automatically proceeding to the next episode, preview, or production. In the event that the GEP logo is only viewable if the viewer has to take action to stop the automatic proceeding to the next episode, preview or production, such logo placement shall not serve to meet the eligibility requirements for the GEP Tax Credit.

(7) If the inclusion of the GEP Logo or link to http://www.georgia.org/film is prohibited by the Children’s Television Act, or any other local, state or federal government policy, or if the Production Company or Qualified Interactive Entertainment Production Company cannot, for any reason, fulfill the placement requirements, GDEcD, under the Alternative Marketing Opportunities, will offer acceptable alternatives to allow the GEP Tax Credit to the applicant and the greatest level of promotion for the State of Georgia. The GEP Logo or agreed upon alternative marketing must be utilized for the Life of the Project, beginning with the first public screening or initial distribution.

(8) If the GEP Logo or agreed upon alternative marketing promotion has not been fulfilled prior to the Project’s distribution, which in no event shall be later than five (5) years from the date that the first Base Certification Letter was issued, the Project will not be eligible for the GEP Tax Credit. Both logo requirements and Alternative Marketing Opportunities must be for the Life of the Project, beginning with the first public screening or initial distribution. However, GDEcD’s ability to retract certification is limited by the applicable statute.
of limitations for assessing income tax for any claiming or carryover year, or in the instance of audited productions, by the prohibition on recapturing credits from transferees or purchasers

(4) ‘Qualified Interactive Entertainment Project’ means an Interactive Entertainment project for which GDEcD has granted GEP Tax Credit certification, but does not include Prereleased Games. To qualify for the GEP Tax Credit, Interactive Entertainment Projects must include a total of fifteen (15) seconds of GEP logo exposure in units sold, and up to a three (3) second GEP Logo adjacency in all online promotions. Interactive Entertainment Projects may meet the fifteen (15) second requirement by aggregating up to three (3) separate and distinct displays of the GEP Logo throughout the Interactive Entertainment Project totaling fifteen (15) seconds. Prereleased Games do not qualify for the GEP Tax Credit. Placement of the GEP Logo within an Interactive Entertainment Project must be discussed in advance with GDEcD. Interactive Entertainment Projects must provide a synopsis of the Interactive Entertainment project including architecture, navigation and story plotlines before the project can be certified. A GEP Distribution Form showing that Multimarket Commercial Distribution outside the state of Georgia was accomplished and proof of fulfillment for the GEP Logo or agreed upon alternative marketing promotion must be provided to GDEcD at least five (5) days prior to distribution, but no later than December 31 of the fund year for which certification was sought, or the Project will not be eligible for the GEP Tax Credit.
(5) GDeC will have sole authority for the certification of any project; the denial of certification for any project; the denial of certification of the GEP Tax Credit; the agreed upon type, style, length and placement of the GEP Logo, and the settlement of all disputes regarding the GEP Tax Credit.

(6) GDeC will make every effort to negotiate in good faith with applicants as it relates to the GEP Logo placement or alternative marketing opportunities at all times in order to provide the greatest level of promotion, economic impact, and jobs creation for the state of Georgia.

**159-1-1-.08 Appeals Process.**

(1) If the authorized applicant’s Completed Application for Base Tax Credit is denied by GDeC, the Base Certification Letter is retracted by GDeC, or if GDeC fails to provide the applicant with a certification decision within the sixty (60) day period following submission of a Completed Application, the applicant shall have the right to appeal the denial, retraction, or failure of certification of the Base Tax Credit. Incomplete Base Tax Credit applications or Base Tax Credit applications that have been voluntarily withdrawn by the applicant prior to a decision from GDeC are not eligible to appeal. An Applicant may appeal by sending a letter along with supporting documentation outlining applicant’s argument as to why the denial, retraction, or failure to certify was improper, to the General Counsel, Georgia Department of Economic Development, 75 Fifth Street, NW, Suite 1200, Atlanta, Georgia 30308, within thirty (30) days from the date of issuance of the Base Tax Credit certification denial or retraction letter by GDeC, or within ninety (90) days from the submission of a Base Tax Credit Application from which no certification decision was issued. Failure to request an appeal within thirty (30) days or ninety (90) days, as applicable, will finalize the denial decision on the Base Tax Credit, and applicant may not reapply for the same project.

(2) Upon receipt of a timely letter of appeal, the General Counsel will address the merits of the Base Tax Credit appeal and the nature of the dispute with the Commissioner of GDeC, who will make the final decision. GDeC shall issue a final opinion and order on the appeal within sixty (60) days of receipt of a timely appeal.
(3) Any further appeals of the Base Tax Credit certification decision must be made before the Office of State Administrative Hearings. In the event an applicant pursues further appeal of the Base Tax Credit decision to the Office of State Administrative Hearings, and GDEcD prevails on such an appeal, then applicant may be responsible for the payment of any fees and costs charged by the Office of State Administrative Hearings in connection with the appeal.
