The Georgia Department of Economic Development's (GDEcD) Center of Innovation for Aerospace and Workforce Division is partnering with Aviation Week & Space Technology, the aerospace industry's leading source of technical and industry information, to conduct a survey of the aerospace manufacturing workforce. The study will be conducted during the months of May and June across Georgia, as well as in the states of Alabama, North Carolina and South Carolina.

Aventure Aviation was presented with the Georgia Launching Opportunities By Exporting Award by Governor Deal and the Georgia Department of Economic Development. This state-led awards program highlights companies that entered into a new international market in the previous year.

SOAR Macon 2016 will allow local aerospace suppliers to connect with major OEMs, other suppliers, and to resources available to manufacturers in Georgia. Attendees will also have access to development workshops to build skills and become

Sponsorship Opportunity

Help celebrate the 20th anniversary of Georgia's only 4 year public aviation school by becoming a sponsor of the Second Annual Heart of Georgia Air Show to be held on November 5, 2016. You will be sponsoring a family-friendly event featuring aerobatic performances, plus food, fun and interactive exhibits. In addition to showcasing Middle GA State University's aviation school, the Air Show's venue will showcase the Heart of Georgia Regional Airport and the Eastman community. To learn more about sponsorship, contact 478-471-2732 or email development@mga.edu.
